#292
in the world

As they evolved from ’90s French house pioneers to 2000s dance tastemakers to mainstream heroes in the 2010s, Daft Punk remained one of dance music’s most iconic acts. With their early singles and 1997’s instant-classic debut album Homework, Guy-Manuel de Homem-Christo and Thomas Bangalter quickly won acclaim for their skill at blending their beloved Chicago house and Detroit techno with pop, funk, indie rock, and hip-hop into nostalgic yet futuristic forms. Not content to just widen electronic music’s popularity, on 2001’s Discovery they reinvented the then-unfashionable sounds of mid-’80s soft rock and R&B into stylish tracks that also had a childlike wonder. Despite their sizable popularity, Daft Punk were never afraid to challenge their listeners, which they did with 2005’s cold and dystopic Human After All. Even when they polarized their audience, there was never any doubt that they staged groundbreaking concerts, and the tour
